2

Once the App has been downloaded you will be taken to a "Start Screen".

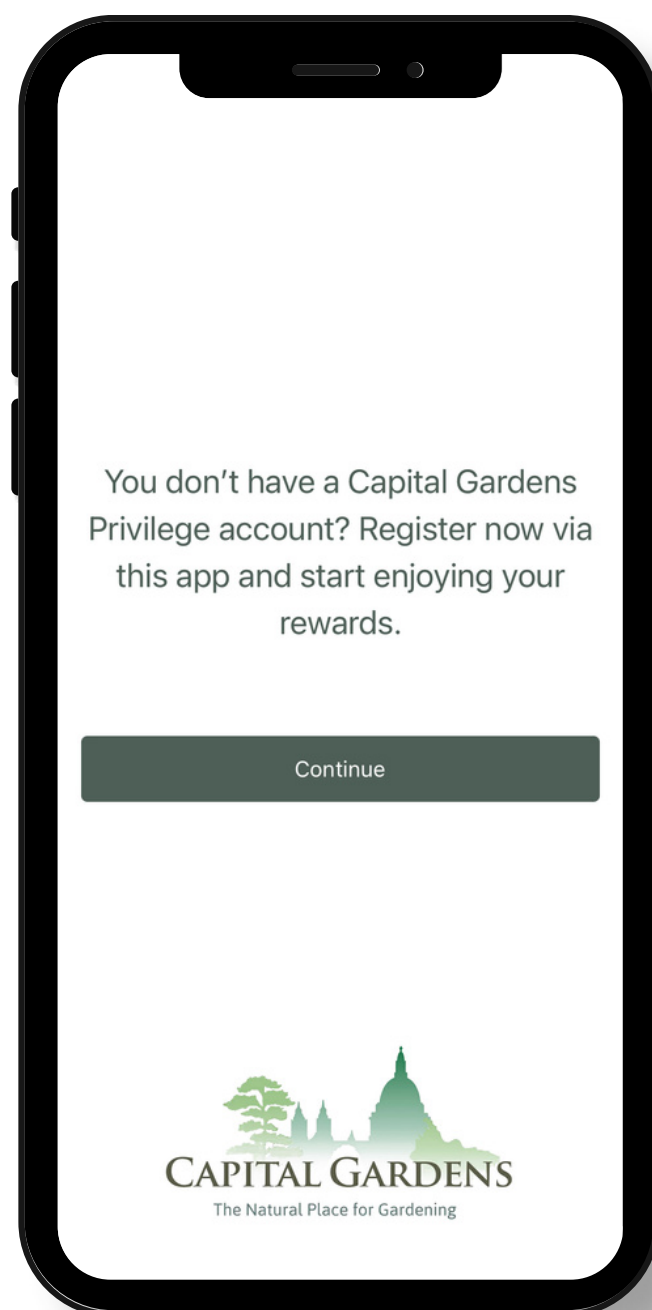

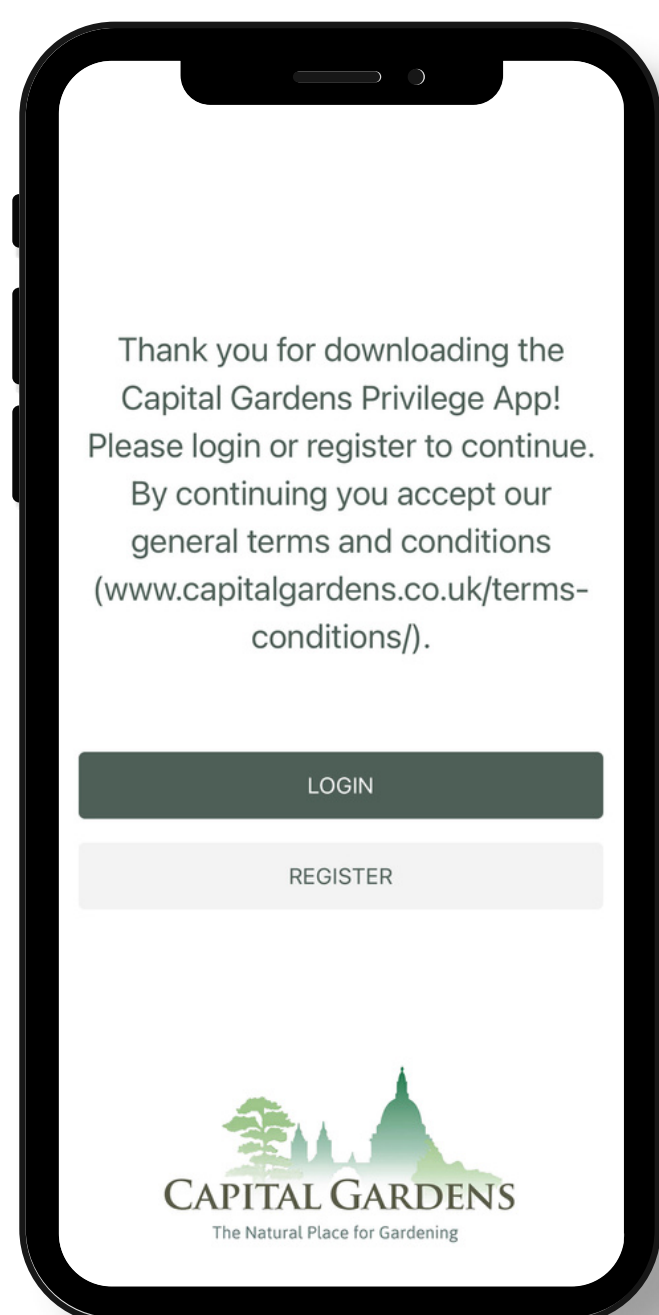

3

To use the App you will need to login with your Capital Gardens Privilege Account Number. This can be found on the back of your card.

4

If you do not have an existing card you will be asked to create an account.

5

Select either "Login" if you are an existing member or "Register" if you are not.

6

This step is only applicable if you currently hold a Privilege Card

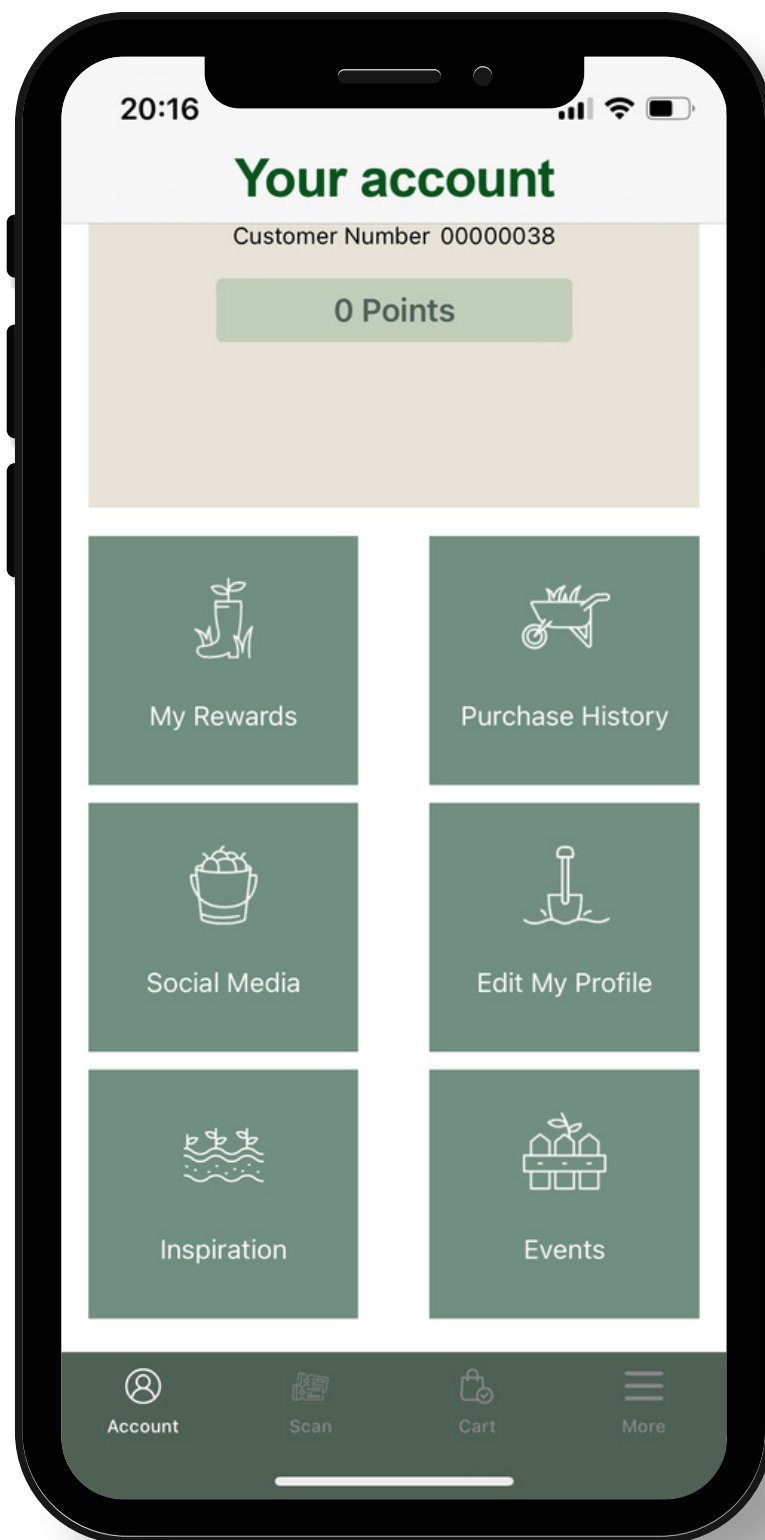

At this stage you will not know your password so you need to select "Forgot Password" and follow the instructions to set up a password. This will take place via your registered email address.

If you do not know your Customer Number select "Forgot Customer Number" and you will be taken through steps to find this information.

7

Once you have access to the App you can:

- View Rewards - these could be "Promotions" that give a saving when a product is purchased or "Vouchers" which may be a money off voucher.
- View your Purchase History
- Access our Social Media
- Get inspiration from the Blog
- Access the Events website

You can also use the "Scan" function in the bottom bar to find out the price of a product. To use this function please ensure the drop down at the top states the correct store location.
